Mr. Mike Nevins Pres. + CEO  
Full Spectrum Solutions

Dear Mr. Nevins,

I want to thank you for the help I have gotten from your lamp. It is wonderful. A gift from God and you to me.

I have had extreme SAD for years. Trying to raise a family of six young children with my husband, a very kind, good man, but none of us knew what was the problem.

Later, an interim period of well-being with lithium, and for the past 14 years, returned and extreme again. I am 86.

I found your lamp 2 seasons ago, Mr. Nevins, and it has been been a godsend to me and has enabled <sup>me</sup> to live in St. Louis in comfort.

My children are susceptible to  
SAD too and use your lamp  
with its help and are grateful.

SAD is an insidious thing.  
It is terrible. I cannot thank  
you enough for giving me my  
life back. That is what you truly  
did. The last several years it  
began in August.

You are a true hero to me  
and I know to so many other  
people too. I admire your  
abilities and thank you from the  
bottom of my heart.

Sincerely,

Patricia Sipe
